ORR Class of 1996

"They Go Together And Will Always Be As One"

By Dionne F. Richmond

Students posed for pictures outside, gathered with friends with flowers in hand, and made last minute adjustments to their graduation caps and gowns before lining up to march to the "Pomp and Circumstance" inside the ORR gymnasium.

The bright sunny skies came a little too late to hold the graduation outside, as relatives and friends packed the chairs and bleachers inside the gymnasium, waving graduation exercises booklets to try and stay cool. Having to make an early decision, school officials opted to hold the graduation indoors. Fans and open doors did not seem to cool down the packed gymnasium. Many parents and relatives filled up the hallway, trying to get a glimpse inside. Some people sat outside on picnic tables, listening to the speakers outside, instead of fighting the crowds inside.

Shannon McGowan sang the National Anthem and received a thunderous applause when she finished. Sarah E. Chase, Class President, welcomed the class with an original poem. After wracking her brains, she said a poem seemed most appropriate. In her poem, she said their days spent together would not be forgotten or lost--and hoped their paths would one day cross.

She also read aloud an inspiring poem written by her grandmother to "Give a little pleasure everywhere you go, from seeds of kindness sown along the way." "Shoot for the moon, if you don't get there, you'll surely land on a star," she said, using a famous quote.

Principal Mr. James Egan spoke to the class and thanked the parents in the audience for their support. He told the students they can be confident,

MATTAPoisETT SPECIAL TOWN ELECTION Tuesday, June 11, 1996

QUESTION 1: Shall the Town of Mattapoisett approve an override to pay \$121,800 to defray the costs of engineering design services for a sewer main extension in the Ned's Point area?

YES: 234 / NO: 199

QUESTION 2: Shall the Town of Mattapoisett approve an override to pay \$126,000 to defray the costs of rehabilitating up to 600 feet of sewer main and attached manhole?

YES: 267 / NO: 166

Above: Inside the ORR gymnasium during the ORR High School's commencement exercises which were held on June 8, 1996.

On The Cover: Students at ORR are all smiles minutes before they march to the "Pomp and Circumstance" inside the ORR gymnasium. Class Officers are Sarah Chase (President), Lindsay A. O'Connell (Vice President), Elizabeth A. Xavier (Secretary) and Jeffrey P. Sanders (Treasurer).

"you are one with your experiences."

"Your friends are an extension of you--without whom you would not be complete," he added. The students will find that their families and friends will be their refuge. "A friend is concerned with everything you do."

Elizabeth Xavier, president of the honor society, introduced the class valedictorian, a person she said was involved with too many activities to name. "Despite all of her accomplishments, she keeps her life in perspective and she never takes herself too seriously," she said. She then introduced Amelia Thrall, Class Valedictorian.

She greeted everyone including the band all the way in the back and then gave her Valedictory address.

"Did you ever wish that you had a theme song? You would walk into work on the first day of your new job feeling confident because your theme song is playing; you're the hero and the hero always wins. I'm a little jealous of Alex Trebeck, Mr. Rogers and especially Jerry Seinfeld with his slap bass melody line."

"Graduation would be more like an Emmy show. While we walked up to receive our diplomas, the band would be playing our own theme song; we

would each get to pull out a list of 20 people without whom it all just wouldn't have been possible. Graduation would last about two hours longer, though, and as short as it is now, I know most of you are wishing all of this to be over so you can go home and prepare for tonight's festivities.

"It's important for us to stop and think what all the celebrations will be for. They're for our success. That piece of paper represents 12, 13 years of our lives.

"There are many people in the stands who will only recognize a few of our names. The rest of us just provide a nice setting of very happy, young

people in red and white. We all may feel silly in these large gowns with these really uncomfortable hats, but there is a reason behind this tradition. As much as we wrap ourselves up in our own traditional lives, today is important for us to realize that we are each a member of Old Rochester Regional High School's graduating class of 1996. We are a group of people who have survived the same teachers and lived with the same rules.

"We see the same people in the hall every day and eat the same food. I believe that there is another person in this class who has often had the same thoughts as you, even though perhaps you have never said more than five words to each other.

"Maybe the person that you really can't get along with shares your love of brownie mix brownies.

"Because we've been with each other for so many years we have, perhaps subconsciously, picked up each other's thoughts, feelings and behavior. Think about your friends--are they like you, or are you like them? I think I'm both. I'm only 75 percent Amelia; the rest is all of you.

"So even though it would be nice to have my own theme song, and I would love to know what each of you would choose to be playing in the

FAULTY PRICING LOGIC

When pricing your home for sale, you may ask: "Why not price it higher than the house is worth because buyers will usually offer less than the listed price?" Although this strategy may SOUND logical, you will most likely end up with less than if you had priced it realistically.

Your Realtor can show you recent comparable sales (what similar houses in your area sold for). Houses that sell within a reasonable length of time are generally priced within 5% of market value. Houses that are over-priced by more than 10% receive little or no activity.

Buyers tend to concentrate on properties that are listed close to market value. Those who would be the most logical buyers will bypass it and purchase elsewhere. In addition, a house that's been on the market for a lengthy period of time carries somewhat of a stigma -- buyers (and some Realtors) tend to feel that something must be wrong with it. You will do yourself a big favor, in both selling time and profit, if you price your house properly from the start.

Call Bruce today with any of your Real Estate questions or needs. We're here to help!! 758-6738.

Mattapoisett Selectmen's Meeting

June 11, 1996

By Dione F. Richmond

A regular meeting of the Mattapoisett Board of Selectmen was called to order on Tuesday, June 11 at 7:00 pm by Chairman John N. DeCosta. Also present were Selectman Paul E. Lambalot, Selectman Michele Bernier and Executive Secretary Carol Adams.

At 7:00 pm the board met with Mr. Robert Gardner to discuss the upcoming 26th Annual July 4th Road Race. Having already contacted the Police Chief, Mr. Gardner assured Selectmen that staffing will be provided for that day. People from all over have been calling Mr. Gardner for applications for the race, he said. All of the money from the race goes to ORR graduates. This year five \$1,000 scholarships were awarded to graduates going on to college. Selectmen unanimously approved this request to hold this race.

The community has been extremely supportive of the race, providing water from hoses for those running the race. Last year there were about 700 registered runners and 600 who finished the race.

At 7:30 pm the board met with representatives of Continental Cablevision Steve Cushing and Mattapoisett Cable Advisory Committee Chairman Daniel White to discuss an amendment to their existing contract.

The plans include installing a fiber optic I-NET system in

PLANNING MAKES A WORLD OF DIFFERENCE...

municipal buildings. Continental Cablevision has suggested that the town might want to opt for a Hybrid Fiber Coaxial (HFC) system instead of a pure fiber optic hookup. Selectmen were informed they couldn't proceed with an amendment right away.

The system would link all town buildings including Town Hall, the Department of Public Works, the Water Department, the Police Station, the Fire Station, the schools, and the public library. Representatives from Continental Cablevision said they needed Selectmen's permission to proceed with the installation of the cable system in town. Selectman Lambalot made a motion to allow the installation of the cable system; it passed unanimously.

Under incoming correspondence for the week the Board received:

- A memo was received from the Town Accountant Joseph

Bolton, with regard to FY year end and closing schedule.

- A notice was received that Christopher Jaskolka is now Chairman of the Planning Board and that Barry W. Perkins is the Clerk.

- A copy of a letter to the editor was received from Diane Perry clarifying her position concerning the proposed development of the Nunes' estate property in Mattapoisett. She wrote that she supports the project, and believed it could be a "win/win" situation, "provided that the developers follow wetland protection acts, as well as the laws, rules and regulations of the town of Mattapoisett and give due consideration to the diverse concerns of abutters, neighbors and other interested citizens."

- A letter was also received from the Rochester Board of Selectmen to extend their gratitude to Selectman DeCosta for coordinating the Memorial Day festivities with the ROTC.

- Correspondence was also received from Geordie Vining, the Department of Environmental Management Coastal Access Planner, expressing an interest in contributing to the acquisition cost of the Nunes property should the developer fail to purchase the land.

"It is conceivable that the plan for developing this property will fail, as other proposals for this property have in the past. I am writing to communicate the DEM's potential interest in contributing a portion of the acquisition cost, should the developer fail to purchase the land by the purchase sales agreement's July 1, 1996 deadline. Ms. Adams noted the DEM was probably not under the impression there was already a vote taken on the issue.

- Official notification was received of the resignation of Barry J. Denham as a member of the Planning Board. The Planning Board requested a meeting with Selectmen on July 16th to fill this vacancy. Selectmen will accept applications until June 28th at 4:00 pm. Those interested candidates are encouraged to apply for the position by sending a letter of interest to the Mattapoisett Town Hall.

- Superintendent Nicholson submitted a copy of a funding proposal for "Flushing Rates and Estimate Nitrogen Loading of Eel Pond" through the Buzzards Bay Project.

- Fire Chief Ronald Scott submitted a copy of a letter to the

Executive Director of the Housing for the Elderly relative to a proposed fire drill to be held on June 14 at 7:00 pm. In the letter Chief Scott explains the department has developed a plan that should be followed to safeguard residents and complex. Residents will be required to participate so in a real emergency situation they will be prepared. The drill will last about two hours.

The Plymouth County Commissioners forwarded notification of approved rates for health, dental and insurance for FY 1996-1997.

Under the executive secretary's report the Board discussed parking at the town beach and charging people who park on side streets who walk onto the beach. They reached a decision to allow only town residents to park at the beach. Since it is difficult to check to see if a person is a town resident, the Board voted not to challenge walk-ons at this time

although other options are being considered.

Two members are also needed to serve on the Finance Committee. All those interested candidates should send a letter of interest to the Mattapoisett Town Hall no later than July 1 at 4:00 pm.

At 7:30 the Board met with Marilyn Lee to discuss the re-establishment of a Recreation Group. Having served on that group for seven years until the group stopped meeting, Ms. Lee has agreed to start up another group. Her first concern was providing a phone for emergencies at the Town Beach as well as providing a float. Ms. Adams said they will supply a cellular phone for emergencies only, and also noted there is a portable radio there as well, to contact police immediately.

Ms. Lee asked when a float would be provided for safety and swimming lessons as several citizens have asked her about a float. She was informed that the previous float was damaged beyond repair. Harbormaster Steve Mach is currently finding estimates for a new float. Ms. Adams said she didn't know the cost of a new float and there is a possibility of an article for a float to be placed on next year's town meeting.

Having a fundraiser for a new float is also a possibility. Ms. Lee also expressed her concern that many baseball teams are not on the fields yet. Selectmen said this was the first time they heard any complaints regarding baseball teams. Those residents interested in serving on the newly formed Recreation Group are encouraged to submit a letter of interest to the Town Hall.

Under discussion items, Selectman Bernier proposed buying a banner which will read "Vote Today" to remind residents to vote during annual Town Elections.

Chairman DeCosta also discussed repairs for the tennis court. He visited the courts with Highway Surveyor Wesley Bowman to see what maintenance work was needed. There have also been several complaints about a strong odor coming from the wharf. Selectmen will instruct the Board of Health to take samples of the water in that area to try and determine the cause.

There being no further business for the Board to discuss, they closed the regular Selectmen's meeting to meet in executive session to discuss a pending litigation with Town Counsel at 8:00 pm only to adjourn for the evening.

Marion Selectmen's Meeting

June 11, 1996

By Kenneth J. Souza

A regular meeting of the Marion Board of Selectmen was called to order on Tuesday, June 11 at 7:00 pm by Chairman Jonathan "Jody" Dickerson. Also present were Selectman Albert E. Winters, Selectman Loretta B. Schaefer, Executive Secretary Ray Pickles, and Secretary Helene Craver.

After approving the minutes of the May 28 meeting and signing

treasury warrants 50 and 51 for the week, the board reviewed incoming correspondence for the week, beginning with an announcement from Washburn Electrical Company, Inc. that they will be closing all phases of their business as of Friday, June 14. Having been a family-owned and operated business in Marion for some 70 years, the board expressed their regret at the announcement.

"(The Washburns) have done a lot for this town," said Selectman Winters. "I think every department in Town Hall has benefitted from their services at one time or another. I move that we send a letter thanking them both for their dedication to the town, and for providing service to Marion residents for 70 years." The board unanimously approved Selectman Winters' motion.

Town Counsel Thomas P. Crotty next submitted a letter to the board suggesting that either the Conservation Commission or Board of Selectmen may appoint members to an Open Space Acquisition Committee. The board agreed to solicit volunteers from a wide variety of groups, including representatives of the ConCom and other town boards.

The board next unanimously appointed the following officers to the Marion Emergency Medical Services (EMS): W. Dale Jones (Director); Dale Thackeray (First Deputy Director); Joan C. Wing (Second Deputy Director); Anita Waagen (Secretary); Mary MacLean (Training Officer); Nelson Adams (Maintenance Officer); Cornelia Dougall (Paramedic Coordinator); Everett F. Eaton (Infection Control Officer).

At 7:15 pm the board met with Donald DePina to discuss the possible renaming of the Point Road playground in memory of Sgt. Robert A. Lopes, a Marion native and Vietnam veteran who died two years ago at the age of 47. According to Mr. DePina, Sgt. Lopes "meant something to me,

and he meant something to the residents of East Marion."

Mr. DePina — who previously sent a written request to the board on this same subject — said he felt the town's policy of not naming public places after individuals was antiquated and needed to be reconsidered. "I feel this policy should be reconsidered," he said. "(Bob) grew up in and around that park ... he not only grew up here, but he contributed something to the town. Let's give the playground a personality."

Though the board stressed that the policy has been in place for some 20 years, they were agreeable to taking the matter under advisement, and commended Mr. DePina for making a strong case.

"For the nine years I served as Selectman, it really struck me how neglected the Point Road playground is," added Edwin "Ted" Pratt. "I think by renaming the park in honor of Sgt. Lopes, it will not only ensure

the park's upkeep ... it will recognize a community in Marion."

At 7:30 pm the board met with Dennis Luttrell of the Buzzards Bay Action Committee (BBAC) to discuss the Holmes Brook Stormwater Remediation Project and the overall scope of the proposed retention pond which will be required as part of the process. Chairman Dickerson began by saying he and his fellow board members were surprised to learn at last week's Special Town Meeting that the proposed "lagoon" or "retention pond" which will be used to filter the stormwater as part of the project is quite larger than they were led to believe.

But Dennis Luttrell, who prefaced his comments by stating he was present at the board's request and only as a representative of the BBAC, said the scope of the project has not changed since its conception nearly four years ago. "I want to go on record as saying that I've stepped down as chairman of the Conservation Commission," Mr. Luttrell said. "I thought that if the (Selectmen) had a problem with me, it might foster a better working relationship (between them and the ConCom) if I stepped down."

After presenting a brief recap of the history of the Holmes Brook project — which was selected to receive a grant from the Department of Environmental Protection (DEP) last year — Mr. Luttrell said the BBAC up to this time has been proceeding under a Memorandum of Agreement which the Board of Selectmen signed to construct two "lagoons" and a third educational component which will be used by students of Sippican School as a "outdoor classroom." But further work on the project ceased last week when the Board of Selectmen stated their concern over the size of the "lagoons" to be used — especially those located behind Taber Hall, which the town is in the process of selling at the present time.

Residents and other board members were present at the meeting, most of whom stood firmly on either side of the issue. "I don't understand how (the Selectmen) are so uninformed on this project," said Edwin "Ted" Pratt. "A lot of work has gone into establishing a cooperative and inclusive project ... which is bound to be productive. But you've clearly misrepresented the facts here."

But Selectman Winters said there's always been some grey area as to the design work which needs to be done. "When I came on the board in 1993, the presentation (on Holmes Brook), as I recall it, left the better part of the brook intact," he said.

Mr. Luttrell said that no definitive design has been prepared, although they have discussed possible options for the project — one of which would require the acquisition of up to one acre of property behind

Taber Hall. But Mr. Pickles noted there is only 1.2 acres of property behind Taber Hall. Chairman Dickerson also added that there is a deed restriction in the town-owned Holmes Woods which precludes them from selling the property or making any major changes in the overall appearance.

"What I'm concerned about is having something like Sprague's Cove planted in the middle of the village," Selectman Winters said.

Selectman Schaefer seemed to think that much of the misunderstanding centered around the term "lagoons," which immediately reminds people of the recently-constructed Sprague's Cove Stormwater Remediation Project near Silvershell Beach.

Mr. Luttrell then offered the alternative "wet ponds," or "retention ponds" to describe what was being proposed. He also stressed that this is an ongoing process, and their next step would be to prepare a design which would come before the Board of Selectmen and be presented in a public meeting forum so that abutters could provide input.

Frank Germano — who recently took over the chairmanship of the ConCom after Mr. Luttrell stepped down — said he initially was opposed to the stormwater remediation projects, until he witnessed the results of Sprague's Cove. "At first I was against (Sprague's Cove)," he said. "But now I've seen the levels of (fecal coliform) radically decreased. We need to seriously consider what we are going to do at Holmes Brook ... it is the single largest source of pollution into Sippican Harbor."

Resident Geoff Lafond expressed his dismay over what seems to be a difficult project to pin down. "I think the town was trying to affect an important sale (at Town Meeting) the other night," Mr. Lafond said. "And as an abutter, I'm concerned about this project which I can't seem to get my hands around. I'm not opposed to cleaning up the stormwater runoff ... but it makes no sense to me to sacrifice a wood lot to save water."

Yet others felt that the two issues — the sale of Taber Hall and the proposed Holmes Brook project — were being used as political footballs. "I've seen the Board of Selectmen twice assailed and hit with Molotov cocktails by one person who wore several hats in town," resident Tyler Blethen said, referring to Mr. Luttrell. "Dennis, why didn't you bring this information before the Board of Selectmen prior to the (Special Town

Meeting)? Why did you wait until the last minute to bring it up? I, for one, am glad to hear that you've stepped down as chairman of the Conservation Commission."

"I think everyone has to try and put this behind us," Mr. Pratt said. "This growing tension (between town boards) has effected an awful lot of people in town. I think everyone needs to start cooperating to work to find solutions to these serious environmental problems."

Selectman Winters moved for the board to reaffirm their commitment first: to affecting some type of stormwater remediation at Holmes Brook; second: to reaffirm their Memorandum of Agreement with the BBAC to proceed with said project without violating the deed restrictions for Holmes Woods; third: that as little property as possible is used behind Taber Hall for the project so as to ensure the sale of the building; and fourth: that the final design be presented at a public hearing

Rochester Annual Town Meeting

June 10, 1996

By Jennifer J. Ouellette

Town Moderator William Chamberlain called the Rochester Annual Town Meeting to order at 7:46 pm on Monday, June 10, 1996 having reached a quorum of some 218 voters. Among those present were Selectmen Chairman Lorraine Roy Hawkes, Selectman David Hughes, Selectman Richard Cutler, Town Counsel Everett Marder, Finance Committee Chairman Patricia Ryan, Town Clerk Naida Parker, and Police Chief Walter Denham.

Ms. Parker motioned to change the following in **ARTICLE 2** of the warrant: amending the Town Clerk's salary from \$8,000 to \$8,500; amending the Tax Collector's salary from \$8,000 to \$8,500; and amending the Highway Surveyor's salary from \$40,000 to \$41,500. With these changes approved, Town Meeting passed **ARTICLE 2** via majority vote.

Under **ARTICLE 3**, voters considered the town's General Operating Budget, including town employee salaries. The recommended salaries for the listed members of the town in the appendix to the warrant were read aloud. Any questions which voters had on specific line items were "held" until the end for discussion.

The following salaries were held for further discussion — General Administrator, Town Accountant, Assessor's Expense Account, Tax Collector, Town Clerk, Dog Officer, Highway Surveyor, and Park Department. After making some minor changes in salary amounts, voters approved

the Operating Budget for fiscal year 1997.

Supporters packed the Memorial School auditorium for ARTICLE 8, which requested a transfer of \$69,420 from Free Cash to be used by the ORR School Committee to pay Rochester's share of a new track facility at Old Rochester Regional High School.

A teacher stood up and informed voters that the track would be a "community track ... not just a high school track." She also stated that the life expectancy of the track was 8 to 10 years, and maintenance would only be an estimated \$2,000 a

year. The article was passed via majority vote.

Under **ARTICLE 13**, voters debated the merits of hiring an additional lifeguard for Silvershell Beach in Marion. Marion asked Rochester to contribute a lifeguard to the beach, as Rochester residents share beach rights with Marion. A motion was made to raise \$2,700 for the purpose of funding the additional lifeguard for Silvershell Beach. The article was passed via majority vote.

In a related matter, voters were asked to allow the Board of Selectmen to charge user fees for Silvershell Beach under **ARTICLE 14**. This article was also approved with a vote of 100 to 73.

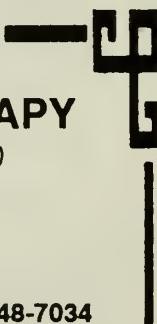

Under **ARTICLE 19**, voters were asked to consider changing the personnel policy to incorporate tenure into making reappointments. However, the article was tabled without debate.

Much attention was given to **ARTICLE 26** and **ARTICLE 27**, both of which would establish a new position of Executive Secretary for the town and set a salary for that position of \$40,000. Article 26, which empowered the Board of Selectmen to appoint an Executive Secretary, was approved via majority vote.

Under Article 27, there was a little concern as to what the Executive Secretary's duties would entail. Several officials supported the stance that the Executive Secretary would be hired as an agent of the Board of Selectmen, and he/she will do the work of a Town Administrator. The article was also passed via majority vote.

Under **ARTICLE 35**, a problem was

encountered. A motion was made to transfer the care, custody, and control of a portion of the town-owned land located on Dexter's Lane and shown as Parcels 13 and 17 on Assessor's Map 6 to the Board of Park Commissioners for public playground purposes.

However, after reviewing the article it was discovered that the meeting had no authority to transfer care. Before the land can change hands the Board of Selectmen must vote to release the land to the Park Department. Therefore, the article was tabled, 72 to 55.

Another problem was encountered in

Hearts & Hands Inc.

in

Mattapoisett Police Dept.
hosts
its first annual
BIKE-A-THON
June 30, 1996
to Benefit
HEARTS & HANDS INC.

Hearts & Hands Inc. is a Christian organization whose purpose is to provide free physical, emotional and spiritual support to medically fragile children and their families. Services will be provided by a core team of medically trained professionals to any child in any appropriate setting with out regard for diagnosis, gender, race, creed, handicap, or age. This is a community supported non-profit program being offered to families in Southeastern Massachusetts.

Why should I participate?

There are many reasons why you might want to participate, but the number one reason would be to benefit this great organization - Hearts & Hands Inc.

This is an organization based on the community helping medically fragile children and their families. These children need your help and donations can provide support services to these children and their families that are trying to cope with many challenging diseases. So please get your bike ready to go on this scenic bike route and then enjoy a great post biking party at Ned's Point in Mattapoisett.

TEAMING UP FOR THE CHALLENGE!

Round up your friends, family, and co-workers and join the heart team. Use themes, costumes, signage and anything else to show your spirit. Each team will receive a group photo and commemorative certificate after the tour.

Prizes will be awarded for the individual and team who bring in the most donations the day of the ride.

Additional prizes for the following:

- Best Costume
- Youngest Participant
- Oldest Participant
- Largest Team
- Physically Challenged

The Kevin Pillsbury Memorial Award will be presented to the student (age 12 or under) who with his/her heart excels in the spirit of giving.

REST STOPS

There will be rest stops with fruit and water to help you keep hydrated and "Riding to GO".

Animal Advice

Jay Gould, DVM

FERRETS

I am thinking about getting a pet ferret. Will a ferret get along with my child and dog?

Ferrets and dogs usually get along fine. Ferrets should not be left alone with small children as these animals seem to be attracted to the fats in a child's skin and may bite.

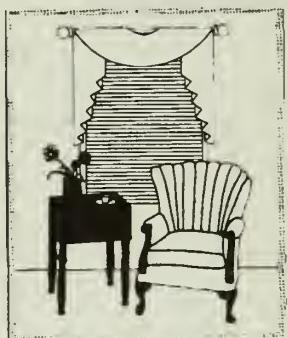

Do ferrets require any special care?

A home must be "ferret proofed" to avoid escape and ingestion of rubber and plastic items. Ferrets should eat ferret food or a good quality dry kitten food. They require annual vaccines for distemper and rabies.

Dr. Gould can be reached at the Mattapoisett Animal Hospital (508) 758-6400

ARTICLE 39. The original motion of this article was to vote to raise and appropriate the sum of \$150,000 for the purpose of road and drainage repair throughout the Town of Rochester. In order to meet this appropriation, the Treasurer — with the approval of the Board of Selectmen — is authorized to borrow such sums of money under MGL Chapter 59, Section 21C.

However, the motion was changed to raise and appropriate the sum of \$150,000 for the purpose of road and drainage repair throughout the town. The rest of the original motion was eliminated because it was a "Proposition 2 1/2 override." The amended motion was passed unanimously.

Fourteen of the articles on the Town Meeting warrant were unanimously approved by voters, including **ARTICLE 10**, which allowed the town to refurbish Engine #3 for the Fire Department. Twenty-five articles were passed via majority vote.

Town Meeting also agreed to table several big money items on the warrant, including:

- **ARTICLE 23**, which requested \$39,650 for the installation of a complete fire alarm system in the Town Hall, Fire Station, Town Barn, North Fire Station, Police Department, Plumb Memorial Library, and the Rochester Memorial School; and

In their first match, Nor'Easter defeated the Galway Rovers from Holbrook, 3 to 0. At 8:00 am on Saturday, June 1, Nor'Easter faced last year's State Champions, Soccer Scene FC of Upton, and battled to a 3 to 2 victory to gain a spot in this year's Cups Competition.

Eight premier teams from throughout the Commonwealth will now vie for the State Championship which enables the winning team to travel to the Region 1 playoff and, possibly, on to the National Youth Championships.

The Nor'Easter Soccer Club is based in southeastern Massachusetts and is dedicated to offering players the opportunity to be trained and coached by nationally and state licensed individuals, and to play in the Massachusetts Premier League, the highest level of competition in our state.

- The Nor'Easter Soccer Club has announced try-out dates for its 1996-1997 teams. The coaches are licensed by the Massachusetts Youth Soccer Foundation, and are committed to the personal development of each player, as well as the technical and tactical development of the entire team. The program offers the highest caliber of training available in southeastern New England.

Try-outs will be held for the following age groups:

- Boys U-11 (born August 1, 1985 or later) — June 18;
- Girls U-11 (born August 1, 1985 or later) — June 24;
- Boys U-12 (born August 1, 1984 or later) — June 19;
- Boys U-13 (born August 1, 1983 or later) — June 18;
- Boys U-15 (born August 1, 1981 or later) — June 19.

beginner levels of ability. Each weekly session runs Monday through Friday from 9:00 am to 3:00 pm. An extended day schedule is available from 8:00 am to 4:00 pm. To register or for more information, call Joshua Freeman at 990-4109 or (508) 824-8452.

Mattapoisett Track Club

- Now that the weather is getting a little warmer, everyone is starting to think of summer ... and with summer comes the Mattapoisett Track Club. Registration this year for the popular sporting event will be held at Center School in Mattapoisett this Sunday, June 9 from 6:00 pm to 8:00 pm. Practices will begin on Monday, June 10 at Old Rochester Regional High School at 6:30 pm and continue every Monday and Wednesday night throughout the summer. The registration fee is \$25 again this year. Remember, you can join the Mattapoisett Track Club anytime during the summer ... and visiting friends and relatives are welcome, too.

Wareham Gatemen Youth Baseball

The Cape Cod League Wareham Gatemen are again offering this year an Advanced Clinic Program in addition to their Gatemen Camp.

- **Gatemen Camp** is held Monday through Friday at Palmer Field on High Street for seven weeks, beginning June 24. Children ages 3 to 15 are grouped according to age and each group meets for approximately one hour. Group 1 (3 to 4 years) meets from 9:15 am to 10:00 am; Group 2 (5 to 7 years) meets from 10:00 am to 11:00 am; Group 3 (8 to 11 years) meets from 11:00 am to 12:00 noon; Group 4 (12 to 15 years) meets from 12:00 noon to

1:00 pm.

Family rates for the entire seven-week program are \$30 for one child, \$25 for two children, and \$20 for three children. Instructors are selected Gatemen players, supervised by Coach Andy Barlow and Assistant GM Josh Kingdon. Focus is on Basic Skills, with plenty of play opportunity and fun.

• **Gatemen Advanced Clinic** is offered for ages 8 to 12 years, and is held Monday through Friday for three two-week sessions. Session 1 (July 1 - July 12) will be held in Rochester at the Little League Field. The Gatemen will travel to Carver Little League Field for Session 2 (July 15 - July 25). Mattapoisett will host Session 3 (July 29 - August 9) at its Little League Field. At each location, ages 8 to 9 will meet from 9:30 am to 11:00 am, and ages 10 to 12 will meet from 11:00 am to 12:30 pm. Cost is \$50 per child per session. Concentrated instruction in all aspects of the game will be covered including

Marion Republican Town Committee

The Marion Republican Town Committee held a grass roots night on June 5th. Over 85 people attended and enjoyed a delicious meal and got a chance to talk individually with the GOP slate. Candidates who spoke were Mike Sullivan, Plymouth County District Attorney, Peter Forman, Plymouth County Sheriff, Charles Toupence, Plymouth County Commissioner, Thom Smith, State Senator, Sam Corbitt, Wareham State Representative, Jon Raymond, U.S. Congress, Matthew Strigles, Plymouth County Treasurer.

The candidates emphasized the need to keep government small, efficient and honest. They asked for not only the votes in November, but the time and financial backing needed to win in November. They believe their victories in November will bring

Tri-Town AARP

The Tri-Town Area Chapter 3982 of the AARP is holding a 10 year celebration on Tuesday, June 25 at 1:00 pm at the Conference Room at the Rochester Town Hall. Refreshments will be available, such as strawberry shortcake. Come enjoy and meet the new slate of officers. Hope to see you there.

Local Student Volunteers In Romanian Orphanages

Michael Trott of Mattapoisett is a college student at Boston University who hopes to continue his volunteer work started last summer at orphanages in Romania. There in a retreat camp in the Copatz Mountains, he is furthering his education for a career as a foreign medical missionary.

Last summer he spent two weeks in Romania on a mission trip organized by RU Red E Ministries, Inc. The team he went with was comprised of six people, three from the Cape Cod area. Michael said it was an amazing experience, one he will never forget. He said they did everything from washing dishes to leading the worship time. Six people were baptized at the end of the week and seven accepted Christ into their hearts. He said the most wonderful part was the everlasting friendships created and he continues to write and encourage his "brothers and

sister in Romania, and they continue to write me on their progress."

The second week was spent working in the orphanages around the city of Lasi (pronounced Yash), where they unloaded supplies. Michael enthusiastically told about visiting orphanages where the children would literally jump up into their arms. He said that upon contact with the children you could not help but notice most of them were malnourished and had their heads shaved because of lice. They probably had not taken a bath or brushed their teeth in over three weeks. At one of the orphanages the children would protect their

heads and faces every time a quick move was made, possibly because they have been abused by the staff, he said.

One of the main goals of the team was to get the college students involved with the outreach done at the orphanages. "I have a very strong feeling that I should return to Romania, where there is still a lot of work left to be done in the orphanages. The border problems Romania was experiencing last year have been solved, so, I have made plans to return to Romania this summer. I will be leaving the United States on July 24 and returning on August 7th. The mission of the team this year is to devote the entire two weeks to the orphanages and to try to get the college students involved with the ministry. In the orphanages we will be teaching Vacation Bible School, changing diapers, and again simply giving the orphans love, and attention."

Michael, 20, will be a junior at Boston College in the Fall of 1996, majoring in Psychology and Pre-Medical. Because Michael and his mother, Mrs. Donna Trott, are paying for his education with the possible help of some scholarship, he is in need of funds to cover the cost of his trip to Romania this summer. The trip will cost \$1,750 total, \$1,100 for the plane ticket, about \$200 for supplies for the orphanages, and about \$450 for food and lodging. "Any donation will be accepted in great thanksgiving. If you are not able to help me financially, your prayers would be greatly appreciated. Checks may be made payable to R U Red E Ministries, Inc. and remember, your donation

is tax deductible," Michael said. The former Old Colony Valedictorian summed up his desire to return to Romania, "All these children wanted was affection, and most of the time we would have a mob of at least 12 of them just trying to hold our hands. We brought the orphans medical supplies and treats, but most of all we simply gave them what they were craving so much - love and attention.

Natural History Museum Gift Shop Sale

The Marion Museum of Natural History is having a gift shop lawn sale on Saturday, June 22, 1996. The sale will take place on the lawn at 8 Spring Street, Marion from 10:00 am to 1:00 pm (outside of the Elizabeth Taber Library). Many items from our gift shop will be offered including Available Light Handcrafted jewelry, t-shirts, gifts and toys. All proceeds from sales will go to benefit the many environmental and educational programs that the museum of Natural History runs throughout the year.

Mattapoisett Museum & Carriage House

Your Museum Needs You!

On July 2nd, the Mattapoisett Museum & Carriage House, 5 Church Street, will open for the summer season. The Museum will be open Tuesday--Saturday, 1:00 pm until 4:30 pm through August 31st, and it is through the help of volunteers that this is made possible.

Two volunteers are needed every day to act as hosts to welcome visitors and acquaint them with our fine museum. It is a great opportunity for you to get to know your museum better and learn more about your town's history. You need not necessarily be a member of the Historical Society to volunteer, and we do welcome young adults (16 years of age and up).

If you have a few hours to share with us, please give a call to Bette Roberts at the Museum, 758-2844.

Square Dances On The Mattapoisett Wharf

The 47th annual season of Square Dancing at the Mattapoisett Town Wharf will begin on Saturday, June 29th, 1996. Dancing will be from 7:30 pm until 10:00 pm for the 1996 season. Kevin Bersing will be calling the first dance and Debby Lussier will be cueing. The first dance is sponsored by the American Legion Auxiliary. All dances are open to the public at a cost of \$3 per dancer. The level is mostly mainstream. In the event of rain, dances are held at the Congregational Church, one block from the wharf. The public is welcome to attend, there is no charge for viewers. For additional information, please call 995-6395.

The 1996 Season Schedule is as follows:

- June 29th—caller is Kevin Bersing, cuer is Debby Lussier.
- July 6—Lori Morin caller, Dick Chase cuer. Sponsored by the American Legion.
- July 13—Dennis Marsh, caller and Ella Bettencourt cuer.
- July 20—Dick Leger, caller and Jennie Frisella cuer. (This is the weekend of Mattapoisett Harbor Days).

production choices in a course "Energy & Society—It's Our Choice and Our Future," Ronald Normand, (Social Studies Department, \$500) to develop the 10th grade history course a unit "Election '96: Critical Viewing of Television and Use of the Internet."

The funds for these grants were generated by advertisers in the LWV Phone Book. The League felt the community should benefit from the phone book profit and education was our choice. Education deserves all the help and positive publicity it can get. Our form of government depends upon it and we found the three winning individual proposals so fitting, we funded all three rather than the two we said we would.

LWV Scholarships Awarded

This is the first year that the League of Women Voters has solicited grant proposals from the teachers in the ORR Regional District K-12. On May 21st, three scholarships were awarded the following individuals: Dwayne Cameron (Math Department, \$500) to expand his course in Discrete Mathematics to develop a unit on voting methods. Dr. David Hamer, (Science Department, \$485) to "enliven" the physics curriculum with information on energy

Movie Review Rock and roll off the assembly line

By Rob Gonsalves

- **The Rock.** Starring Sean Connery, Nicolas Cage, and Ed Harris. Directed by Michael Bay. Running time: 129 minutes. MPAA rating: R. At Cinema 8 in North Dartmouth.

About *The Rock*, the newest model off the summer assembly line, I have just one question: why Alcatraz? The plot — concerning a terrorist's threat to launch poisonous rockets at a major city — could, in theory, take place anywhere. But Alcatraz is a cool location and *The Rock* (the nickname for the long-defunct prison) is a cool title, so the terrorists set themselves up in Alcatraz. Makes perfect sense. Hey, it's summer.

The terrorist in question is Ed Harris, a disgruntled Marine furious at the government for their failure to honor the soldiers who died under his command. Instead of going on *60 Minutes*, as some real-life military men with a similar complaint did recently, Harris points four missiles loaded with VX gas at San Francisco and demands reparations to the tune of \$100 million.

So it's Sean Connery and Nicolas Cage to the rescue. Cage, a chemical-explosives expert, and Connery, the only man who has ever escaped from Alcatraz (well, him and Clint Eastwood), infiltrate the Rock and try to disarm the missiles. They also make sure to get into a gunfight every so often.

This is all entirely as synthetic as it sounds, but

The Rock is an amusing package of mayhem. I wouldn't go so far as to say "entertaining" — director Michael Bay (who did last year's hit *Bad Boys*) is a graduate of the MTV Mixmaster school of action film making, which teaches that rapid-fire, unscannable editing makes the carnage more exciting. It doesn't, and much of the action feels thin and unauthentic. Essentially, if you've seen the trailer for *The Rock*, you've seen the movie.

What you don't see in the trailer are the performances of Connery and Cage, who are both reasons enough to see almost anything. Connery, also heard but not seen in the current *Dragonheart*, has perfected his grizzled-old-lion schtick. No other actor can match his wry authority. Yet he's also in something of a rut. Connery hasn't been really surprising since his comic turn in *Indiana Jones and the Last Crusade*. He's great at what he does here, but he needs to try something else.

Cage, on the other hand, is up for anything, whether it's munching a cockroach in *Vampire's Kiss* (watch for the in-joke reference to it early in *The Rock*) or drinking himself to death. In *The Rock*, Cage has the guts to play a wimp — a guy who's been in the rear with the gear too long — and he hits wild notes of fear and hysteria. He's the sanest man on the screen, and maybe his honest performance makes Sean Connery's testosterone look worse than the film makers intended.

As for Alcatraz itself, I was surprised how little was really done with it. It could be just any big building with catacombs and bars. And the terrorists could be any terrorists. This was the last production of Jerry Bruckheimer and the late Don Simpson, and like most of their hits, it's thoroughly impersonal. *The Rock* will likely make Nicolas Cage more bankable, but I can't work up much enthusiasm for it. Its box-office glory will be the latest triumph of low expectations and low standards.

Mattapoisett received a bachelor of arts degree from Smith College on Sunday, May 19th. She was one of 692 seniors who graduated during the college's 118th commencement exercises, at which author and Pulitzer Prize winning columnist Anna Quindlen was the featured speaker.

A 1992 graduate of Old Rochester Regional High School, Jennifer majored in American Studies with a minor in Computer Science at Smith. Consistently ranked among the best liberal arts colleges in the United States, Smith enrolls 2,800 women in its undergraduate degree programs.

This Week's Horoscope

by Linda Black

Aries (March 21-April 19). Stay home as much as possible. Romantic commitments will stick. Expect changes and confusion.

Taurus (April 20-May 20). You'll learn well. Use those smarts to keep from spending too much. You may have to buy something for your home.

Gemini (May 21-June 21). You'll love the rest of this month. Start new projects — it's your last chance for a while. Shop and schedule a date.

Cancer (June 22-July 22). Warm up for your turn at bat by finishing old chores. Hide out and do what you're told. You'll start getting stronger.

Leo (July 23-Aug. 22). Toss the ball to a teammate if you want to score. Move boldly in love, team activities and with something you're writing.

Virgo (Aug. 23-Sept. 22). A demanding person could make your evening miserable, unless you practice your good attitude exercises. The Arrogant One will get weaker.

Libra (Sept. 23-Oct. 23). Curtail romance long enough to get your latest assignment. If you're invited out for a drive, go. Friends, travel and romance are all favored.

Scorpio (Oct. 24-Nov. 21). You're lucky, but there's not quite enough money. If you choose to get a loan, do it. Finish overdue chores.

Sagittarius (Nov. 22-Dec. 21). A bill comes due. Hopefully you have enough gas money left for a drive. Draw up a budget and start your savings program.

Capricorn (Dec. 22-Jan. 19). There's too much to do — get a partner to help. Research ways to make more money and get your application in. Travel after an exhilarating competition.

Aquarius (Jan. 20-Feb. 18). Love interferes with your assignments, and vice versa. Make a big decision — maybe a forever commitment.

Pisces (Feb. 19-March 20). You're tuned in to a loved one's needs — maybe with more insight into the problem than he or she has. Provide comfort and then get back to work.

If You're Having a Birthday This Week: If you're so smart, why ain't you rich? Put in the correction this year. Learn something that will help you unleash your natural talents.

LEGAL NOTICES

TOWN OF ROCHESTER
BOARD OF SELECTMEN
NOTICE OF PUBLIC HEARING

The Rochester Board of Selectmen will conduct a public hearing on Monday, June 17, 1996 at 7:30 PM in the Town Hall regarding the petition by New England Telephone Company for five jointly owned poles on Walnut Plain Road near the intersection of Marion Road.

This work is necessary to safely support cable to be placed.
Lorraine Roy Hawkes, Chairman 06/07, 06/14

TOWN OF MATTAPoisETT
CONSERVATION COMMISSION
NOTICE OF PUBLIC HEARING

The Mattapoisett Conservation Commission will hold a public hearing on Tuesday, June 18, 1996 at 7:30 p.m. in the Mattapoisett Town Hall on the Notice of Intent submitted by Gail Fleurant, 105 County Road, Mattapoisett, MA.

The proposed project involves an upgrade of the existing sewage disposal system by installing a new septic tank and leaching area.

The project is located at 105 County Road (Rte. 6), and is further identified as Lot 145 on Assessors Map 8.

Daniel Bungert, Chairman 06/14

TOWN OF MATTAPoisETT
CONSERVATION COMMISSION
NOTICE OF PUBLIC HEARING

The Mattapoisett Conservation Commission will hold a public hearing on Tuesday, June 18, 1996 at 7:15 p.m. in the Mattapoisett Town Hall on the Request For A Determination of Applicability submitted by Elizabeth M. DiCarlo, 37 Dewolf Street, New Bedford, MA 02740.

The proposed project is to construct second floor and rear deck onto current dwelling.

The project is located at 8 Prospect Drive, Mattapoisett and is further identified as Lot 115 on Assessors Map 5A.

Daniel Bungert, Chairman 06/14

TOWN OF ROCHESTER
BOARD OF SELECTMEN
NOTICE OF PUBLIC HEARING
EARTH REMOVAL PERMIT

Notice is hereby given that the Board of Selectmen will conduct a public hearing on Monday, June 24, 1996, at 7:30 PM regarding the application of High Street Realty Trust, Jeffrey D. Youngquist, agent, who is requesting an EARTH REMOVAL PERMIT for 120,000 cubic yards of earth to create five acres of cranberry bogs off Ryder Road. Property is identified on Rochester Assessors' maps as plan 21 lot 23.

Application submitted by Jeffrey D. Youngquist, High Street Realty Trust, 255 Plymouth Street, P.O. Box 271, Middleboro, MA 02346.

kids ages 6-12) or the Read-To-Me Club (for kids ages 3-5/6). Registration ends on Saturday, July 13th. All children are asked to bring a picture of themselves.

Over 60,000 children and families statewide participated in the program last year. A 1992 study shows that "free" or recreational reading is more effective than classroom instruction to improve reading comprehension, vocabulary, writing and grammar. Not only is reading worthwhile, but reading at the library makes everyone a summer star!

Adoptable Animals

Animal Umbrella's plea this week is for adult adoptions. We have several mother cats who desperately need love and care. They have all recently weaned kittens, been spayed and vaccinated and are just sitting and waiting for the right person to take them into their homes. They include: a gray and white part angora, two short hair tigers with green eyes, a real sweet short hair torti, a long hair calico and a short hair white and orange cat.

Kittens, Kittens, Kittens! Yes, we have lots of adorable very adoptable ranging in age from 6-12
